

RUIYING

Founded in Aug, 2016

**A Swedish – Chinese Joint – Venture
manufacturing Type I, III & IV high-pressure
gas cylinders with European-grade quality
and Asian speed & cost efficiency.**

Close to Shanghai
& Ningbo ports

1.03 million cylinders/year

> 140 employees

28.000 m² plant area

Our Products

*For detailed information regarding specifications and models, please visit our website.

- **Seamless Steel Cylinders**
- **Alloy Aluminum Cylinders**
- **Carbon Fiber Composite Cylinders**
- **Cartridge**

Alloy Aluminum Cylinders - Workshop

Workforce:

22 Employees

Production Capacity:

30,000 pcs per month

Advantages:

Certified aluminum alloy production with flexible customization and a dedicated, experienced workforce.

Seamless Steel Cylinders - Workshop

Workforce:

44 Employees

Production Capacity:

30,000 pcs per month

Advantages:

Cost-optimized manufacturing with premium cartridge steel,
mature and stable process, full PED/TPED compliance.

Composite Cylinders - Workshop

Workforce:

28 Employees

Production Capacity:

15,000 pcs per month

Advantages:

Type III in serial production, Type IV under active development;
in-house R&D with a young, high-caliber engineering team.

Applications

Medical & Health O₂

Beverage CO₂

Outdoor Sports

Fire Extinguishing

Industrial & Specialty Gas

SCUBA Diving

Refrigeration System

Drone UAV

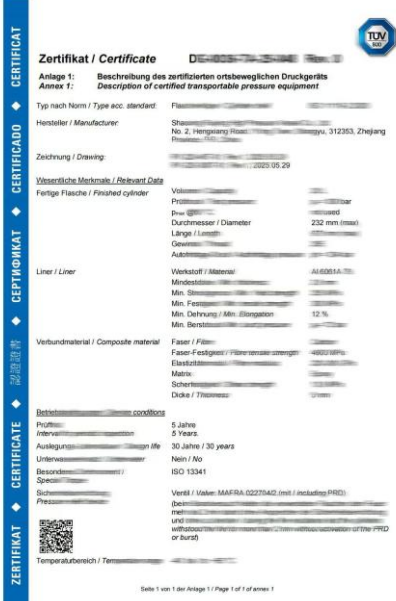

Hydrogen Vehicle

Certification

ISO 9001, PED & TPED, DOT, TC, TUV, Australian Certificates

Inspection

Quality Controls

Hydraulic Tests

- External Measurement Method
- Internal Measurement Method

- Ultrasonic Thickness Test
- Rockwell Hardness Test
- Leakage Test
- TUV/DOT 3rd-Party on-site inspection

Performance Tests

- Tensile Test
- Burst Test
- Crush Test
- Fatigue Test
- Impact Test
- Flatten Test
- Bend Test
- Spectral Test

-  Covering 20+ Countries
-  30+ International Partners
-  10 Years' International Expertise

Our Global Sales Network

Kevin Du

**Executive Director
Board Ruiying**

Based in Hangzhou, CHINA

- MBA of Zhejiang University (2006)
- Senior Professional Economist (2009)
- Co-founder & Director of Board Ruihua (June 2005 – now)
- Founding General Manager at Ruihua (Jun. 2005 - May 2010)
- Executive Director of Board Ruiying (Jun. 2016 - now)

Pontus Broddner

**Director
International Sales & Marketing**

Based in Stockholm, SWEDEN

- Master's degree in Chemical Engineering from the Royal Institute of Technology in Stockholm
- International experiences from senior business leadership roles at companies e.g. Linde Gas, Business Sweden and 3M
- Joined the Ruiying team in 2024

Fran Xu

**Deputy Director
International Sales & Marketing**

Based in Shaoxing, CHINA

- Bachelor of Management in major International Business at SWUFE (Project “211”)
- Bachelor of Science in Industrial Engineering and Management at KIT (German Excellence University and TU9 member)
- 15+ years of study and work life in Germany with permanent residence
- Around 7 years of financial auditor's working experiences at KPMG Munich and Frankfurt am Main in Germany (the Big Four)

Our People

Jinbo Zhang
General Manager Manufacturing
Based in Shaoxing, CHINA

- 17+ years of R&D and manufacturing expertise
- In-house production for B1 & B3 gas cylinders
- Contributor to national and industry standards
- 30+ patents in hydrogen storage and B3 categories
- Proven OEM & technical cooperation services
- Promoted to plant manager of Ruiying since Jan. 01st, 2026

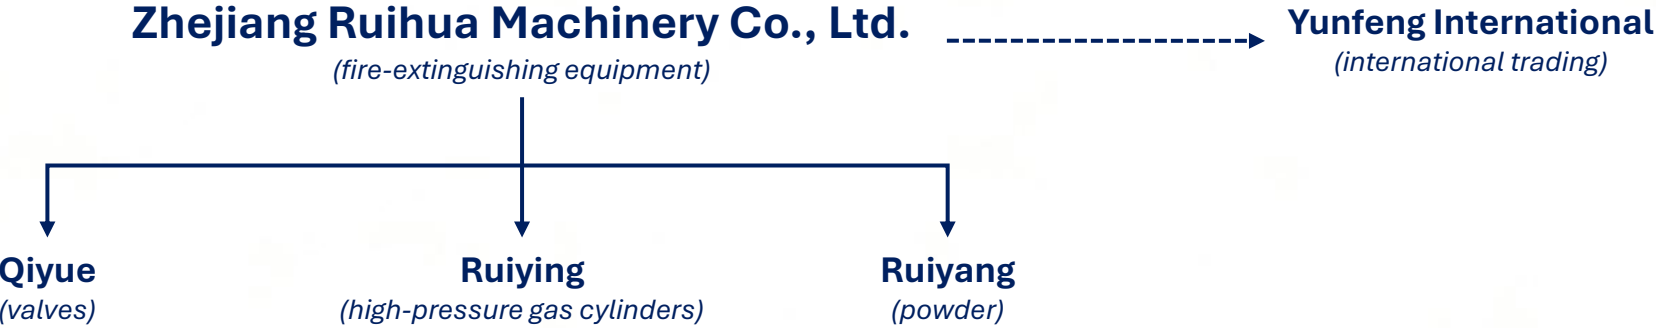

Brady Liu
Chief Product Officer
Based in Shaoxing, CHINA

- Bachelor degree in Physical Optics at technical university
- Research background in material science
- 13+ years' experience in fire protection & high-pressure gas cylinder industries
- Holder of several product design patents
- Joined Ruihua Group (incl. Ruiying) since 2014
